

It's a Win-Win!

Productive workers, earners and taxpayers = Good Business!

At Bancroft, it is our mission to help children and adults with neurological challenges achieve greater fulfillment in their lives. We recognize that employment is an important element of a healthy quality of life, so our supported employment programs work with area businesses to provide vocational training and job opportunities for the people we serve. In recognition of National Disabilities Employment Awareness Month in October, Bancroft is pleased to recognize the following winning employment partners:
